IMPORTANT NOTES:

Ask a TGA conductor or volunteer if you have any questions about this schedule, rules, or anything else.

All games on this schedule are part of the Puffing Billy® Tournament. Some are also part of other tournaments.

This schedule indicates game start times. See reverse side for scheduled game lengths and categories.

Pickup games are encouraged at any time, and will count as category scores for Puffing Billy and Iron Man tournaments.

Bold = Semi-Final or Final, must qualify (see posted tournament rules)

NQ (Suffix) = Non-qualifying. These will NOT get you into the individual Finals, no matter when they're scheduled

T (Suffix) = Teaching. These are TEACHING games. Also, these will NOT get you into the individual Finals, no matter when they're scheduled

This schedule is for Gen Con only. Our Origins schedule is different in several ways.

You do not have to be competing in any tournament to participate.

PLEASE make sure you understand the time commitment required before starting any game.

To count, a pickup game must be approved in advance by a conductor, have at least three players, and be played to completion.

*** Games with asterisks will be taught at these times (if needed). For others, teaching will be limited by staff availability**
